ICE 2010 ANNUAL CONFERENCE

MARK YOUR CALENDAR

Each year, Health Industry Collaboration Effort, Inc. (ICE) hosts a conference open to the membership and other interested parties. ICE has received an overwhelmingly positive response to our past conferences, and next year's conference promises to be even better! You won't want to miss the 2010 ICE Annual Conference, being held at the Hyatt Regency Hotel in San Francisco, California, on:

December 6 & 7, 2010

We are pleased to announce that the Centers for Medicare and Medicaid Services (CMS) will again partner with ICE for this joint two-day event.

Invited Speakers: Senior-level managers from both the CMS Central and Regional offices.

The conference will also include key note speakers, agency and association panel discussions and training sessions.

Watch for additional information regarding the conference, including registration information and detailed agenda information, which will be forthcoming via broadcast e-mails from ICE in the summer of 2010.
